At which time and places the qualified electors will elect by ballot:

ONE PERSON for the office of Auditor General of the Commonwealth of Pennsylvania.

ONE PERSON for the office of Surveyor General of the Commonwealth of Pennsylvania.

ONE PERSON, in conjunction with the counties of Somerset, Fulton and Franklin, for the office of additional Law Judge.

ONE PERSON, in conjunction with the counties of Somerset, Fulton, Franklin and Adams, for the office of Representative in the Congress of the United States.

TWO PERSONS, in conjunction with the counties of Somerset and Fulton, for the office of Members of the House of Representatives of Pennsylvania.

ONE PERSON for the office of Commissioner for said county.

ONE PERSON for the office of Poor Director for said county.

ONE PERSON for the office of County Surveyor for said county.

ONE PERSON for county Auditor for said county.

ONE PERSON for Coroner of said county.

NOTICE IS HEREBY GIVEN, That every person excepting Justices of the Peace who shall hold any office or appointment of profit or trust under the United States, or of this State, or any city or corporated district, whether a commissioned officer or otherwise, a subordinate officer or agent who is or shall be employed under the legislative, executive or judiciary department of this State, or of any city, or of any incorporated district, and also, that every member of Congress and of the State Legislature, and of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising at the time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no Inspector, Judge or other officer of such election shall be elegible to be then voted for.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 2, 1839, further provides as follows, viz:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 8 o'clock in the morning of the SECOND TUESDAY OF OCTOBER, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as an Inspector in his place. And in case the person who shall have received the highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place; and in case the person elected a Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or ether of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or County tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless: First, he produce a receipt of payment, within two years of State or County tax assessed agreeably to the Constitution, and give satisfactory evidence on his own oath or affirmation of another that he has paid such a tax, or in failure to produce a receipt shall make oath to the payment thereof; or second, if he claim a right to vote by being an elector between the age of twenty-one and twenty-two years shall depose on oath or affirmation, that he has resided in the State at least one year before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe from the account given him that he is of the age aforesaid, and gives such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the Inspector, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid tax, and the word "age" if he shall be admitted to vote by reason of age, and in either case the reason of such a vote shall be called out to the clerks, who shall make a like note in the list of voters kept by them.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the Inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election and shall also swear that his bona fide residence, in pursuance of his lawful calling is within the district, and that he did not remove within the district for the purpose of voting.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the

And the Judges of the respective districts aforesaid, are required to meet at Bedford, on the Friday next following the holding of said election, then and there to perform those things required of them by law.

Given under my hand, at my office in Bedford, this 1st day of Sept., in the year of our Lord, one thousand eight hundred and sixty-eight, and in the ninety-third of the Independence of the United States.

peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the Commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election."

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this Commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled, outside, "judiciary;" one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of Congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in seperate ballot-boxes.

SECTION 2. That it shall be the duty of the Sheriffs, in the several counties of this Commonwealth, to insert in their election proclamations, hereafter issued the first section of this act.

JAMES R. KELLEY,
Speaker of the House of Representatives.
DAVID FLEMING,
Speaker of the Senate.

APPROVED—the thirtieth day of March, Anno Domini one thousand eight hundred and sixty-six.

A. G. CURTIN.

Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, is now null and void, and that all persons formerly disqualified thereunder are now lawful voters, if otherwise qualified. The act decided unconstitutional by the Supreme Court provided as follows:

"A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH.

Whereas, By the act of the Congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this commonwealth:

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Section 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

Section 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot, or ballots, any person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this commonwealth, shall, for each offence, be punished in like manner as is provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot, or ballots.

Section 4. That if any person shall hereafter persuade, or advise, any person, or persons, deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this commonwealth, or shall persuade, or advise, any such officer to receive any ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this commonwealth, shall be punished in like manner as is provided in the second section of this act, in the case of officers of such election receiving such unlawful ballot, or ballots.

YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia.

Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or any thing like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate diseases of the Liver or Digestive Organs, combined with impure blood.

HOOFLAND'S GERMAN BITTERS

is entirely vegetable and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made, are gathered in Germany. All the medicinal virtueus are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

HOOFLAND'S GERMAN TONIC

is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in case where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order, keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no diseases will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything, you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find that "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours Truly,
GEO. W. WOODWARD.

FROM HON. JAMES TAOMPSON.

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it.

Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eigth, below Coates Street.

CAUTION.

Hoofland's German Remedies are counterfeited. The Genuine have the signature of C. M. JACKSON on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others are counterfeit.

Price of the Bitters, $1 per bottle; Or, a half dozen for $5.

Price of the Tonic, $1 50 per bottle; Or, a half dozen for $7 50.

The tonic is put up in quart bottles.

Recollect that it is Dr. Hoofland's German Remedies that are so universally used and so highly recommended; and do not allow the Druggist to induce you to take anything else that he may say is just as good, because he makes a larger profit on it. These Remedies will be sent by express to any locality upon application to the

TO THE PEOPLE OF PENNSYLVANIA.

There is but one week between this and the election. Have you made up your minds how to vote? It is important that you should have, for upon the result of the State election depends interests that may be either a profit or loss to you for generations yet to come.

This election is a turning point in the history of the country.

If the people of these United States shall respond at the ensuing election in favor of the measures of the Radical Congress, then the institutions of our fathers will exist no longer; then the Constitution will have become a dead letter, and we shall have an entire change of government.

Have you ever, fellow-citizens, thought of this? Do you thoroughly comprehend the importance of the questions you have to decide?

Great is the responsibility that rests upon you—tremendous the task which has been imposed upon you.

Have you, or have you not any faith in the work that your fathers accomplished? Have you any reliance upon their judgment or their patriotism?

If you have you cannot support the doctrines of the candidates of the Republican party, for they give the lie to all your fathers said or did.

We are now dealing with a party that abrogates all the ideas of the fathers of the government, and would substitute, instead of the sound doctrines which they incorporated in their creed of government, abstract and abstruse notions incomprehensible to the masses of the people, and leading us far astray from the doctrines of the constitution and of free government.

The Democracy hold, as their fathers held, that this is a white man's government, framed by white men for white men. Whatever privileges are extended to those of other races are mere privileges and not rights. We hold that the Caucassian race shall govern this continent. If we choose to give to Africans, Mongolians, or any other race civil rights, to protect them in person and property, it does not, it should not follow that we are bound to extend to them all the rights that our constitution gurantees to our own race.

History has taught us that the amalgamation of races is an evil; that no government which tolerated such a thing ever prospered, but on the contrary went down rapidly to the extreme of degradation.

Having the African among us, the Democratic party are disposed to be liberal towards him, to extend to him all the rights and privileges it can, with safety to the country. But there are interests paramount, which must be regarded, and we cannot afford, as the Radicals wish us to do, to extend to a different and inferior race all the rights which belong to ourselves.

The Caucasian race must and will be sovereign wherever they exist. They are the ruling race, and, as Heaven intended, they will rule. The African has never yet, since the first page of history was written, done a single thing to advance civilization, and the party (the Radical party) that are now trying to place him upon an equality with his superiors are the worst enemies the country ever had.

There was no such thing attempted in the days of Clay and Webster, in the days of the statesmen of our country; it is only now, in the days of usurpers and demagogues whose interests depend upon the subversion of the government, that the equality of races, social and political, is made a doctrinal point in the politics of the country.

Let those who love their country honestly and well consider to what their duty now leads them.

Will they have an equality of races or will they not? This is one of the questions which they must decide on the 13th of October.

A Radical editor, referring to the accounts of the punishment of Meade's prisoners by the "sweat-box," asks what a sweat-box is. He will know before long. We shall put the whole Radical party in one in November, and keep it sweating till not a drop of fluid is left in its body, and its bones rattle with every motion it makes.

TEN thousand dollars were squandered by the Radicals on the impeachment trial—a movement intended to put despotic power in the hands of such men as Butler, Ashley, and their associates. This is the way taxes are increased.

WHAT IT WILL LEAD TO.

Have candid, moderate men, considered what will be the consequence of a triumph of the Jacobin party in the coming election? Men of violence, revolutionary in their spirit, intent upon carrying out impracticable theories, is it safe to leave the Government longer in their hands? The country has had no moment of repose since they came into power, and every sane man must see that it can have none while such men rule. Should their Presidential ticket be elected, and the majority in Congress still be with them, they will claim that their policy, their most extreme measures, have been indorsed, and they will be more violent than ever. Should there be any one who believe that Grant would be disposed to moderation, is there any one so weak as to suppose that he could restrain them? No, they would cast him aside as they have Johnson, and as more than likely, they would have treated Lincoln, had he lived.

The history of the French Revolution is full of instruction and warning. There the moderate men, one after another, all went down before the fury of the Jacobins. So it has been in other countries, and will be here, until the party itself shall be put down, by the uprising of the sober-minded, order-loving people, who have become tired of the violence of fanaticism, and alarmed at the prospect of interminable disorder and ever-increasing extravagance and corruption.

Does any man hope for repose, for stability, for order and prosperity, with the Government in the hands of such a party? It is without practical wisdom, without statesmanship, and devoted to visionary theories and impracticable schemes which as experiments will fail, and yet will be persisted into destructive ends, because there will be wanting both capacity to discover, and candor and patriotism to adopt, measures of deliverance and safety.

And while they have been making a show of reducing expenditures, for effect upon the Presidential election, no sooner will they receive the popular indorsement, and the further lease of power, which they are seeking, than they will come in with deficiency bills to provide for expenditures which they have well known their policy and the greed of their partisans would demand, but which have been artfully kept back till after the election. Assured of a continuance in power, the floodgates of extravagance and corruption will be opened, and they will find pretexts for running up the expenditures by hundreds of millions, and debt and taxation will increase to an extent that will despoil the country of prosperity, crush enterprise, paralyze and impoverish industry, and turn the people into sullen and hopeless bondmen to the consolidated wealth of the owners of the banks, bonds and factories, or drive them to revolution.

We warn capital to beware of the fate which it is provoking. Push not the people to desperation. With the strength so take what they need, they will not long go hungry or naked.

Beware of the cry of bread or blood!

Bread or Blood!

It has been heard in other lands—O, with what terrible associations! Let not wealth, and monopoly, and greed, provoke the repetition here, of what we shudder to contemplate, but which cannot be avoided, if this Jacobin party is still to rule over us. If, in their short-sighted selfishness and folly, the banks, the scrip-barons and the cotton lords buy the election for these oppressors and robbers of the land, the time will come when their ill-gotten and ill-used gains will perish before the wrath of the people, and freedom will be won amid scenes which it will have been the folly of the money-kings not to have averted by timely concessions, and their madness to have provoked by haughty bearing and unsparing and crushing exactions.

MONEY AGAINST LIFE.

The poor man, the workingman, was *compelled* to risk, and in thousands of instances to lose in the war, what all men hold dearer than every thing else they possess.

Life itself.

What was the rich man compelled to do?

Nothing!

Not even to give his money, though the poor man gave his life, of little as the former was in comparison to the latter.

But the rich man *loaned* his money, if he pleased, or *refused* to loan it if he so pleased and did loan it only when he could exact such terms as suited his avaricious views. When he could converthis one dollar of gold into two dollars or more of legal tenders, he made the convertion, and with his greenbacks thus obtained, went to government and exchanged them for its bonds, upon which interest was made payable semi-annually,

In gold!

By this process he made sure of receiving the interest in gold, on two or more, when he had only lent the equivalent of one dollar in gold, and what he had acctually bought with one such dollar—thus gettting from twelve to fifteen per cent. interest, in gold, on every dollar of gold which he converted into greenbacks to lend to the government.

But this was not all.

He took care to exact the further condition that he should pay no taxes on his bonds.

Nor is this all.

He now demands, that for every greenback dollar that he lent the government, and which, when he lent it was worth only forty to fifty cents on the dollar in gold, he shall receive a gold dollar, and Grant and the Jacobin party are pledged to sustain him in this demand.

Though the bonds provide for the payment of the principal in lawful money, which greenbacks are declared to be by *Jacobin law*, the Jacobin Congressional majority has attempted, at the legislation and in the interests of the bondholders to perpetrate a monstrous fraud upon the people, and rob them of six hundred millions of dollars more than the present amount of the debt, by taking up the outstanding legal tender bonds, and issuing in lieu of them bonds expressly payable in gold, which it would take six hundred millions more of legal tenders to pay than to pay the bonds as they now stand.

Now strike the balance between money and life!

What is paid for the poor man's life, which he was obliged, by the Federal conscription, to sacrifice in the war?

Look around among the widows and orphans of those whose lives were thus immolated upon the alter of abolition fanaticism, and, in their destitute and suffering condition, behold the evidences of liberality and justice of the Government towards those from whom it tore their bread and providers.

How does it treat the bondholders?

It pays him twelve to fifteen per cent. interest on the money which he condescended to lend, during the time the loan remains outstanding, and when it shall come to pay the principal of the loan, the Jacobin party insists that it shall pay him two dollars in gold for every dollar that he originally lent.

But more than this.

The bondholder is exempted from taxation on his bonds, and the soldier who came out of the war alive, and the widow and children of those who were slain, in common with all others of the working classes to which they belong, are taxed to pay these bonds, and almost the entire burden of taxation for the payment of the bonds falls upon them.

Then it comes to this!

The workingmen gave their lives!
The workingmen pay the taxes!
The workingmen pay the bonds!
The bondholder gave nothing!
The bondholders pay no taxes!
The bondholders pay nothing!

The soldier who received his pay and bounty, had to take them in greenbacks lent by the bondholder upon the bonds which he now claims shall be paid in gold. The Jacobins would now tax this same soldier, and make him pay back what he thus received for his services.

Still worse!

They would make him pay it in gold, to be handed over to the bondholder for the greenbacks he loaned to the government to pay this soldier for risking his health, his limbs, his life.

Thus the pittance which the government paid the soldier is taken back from him in taxes—aye, double the amount—to pay the bondholder twice the sum he lent.

WORKINGMEN.

Our forefathers come to America to better their condition. The people of the Old World applauded the act by following in their foot-steps. The aristocracy of the old country and the unequal taxation there in force to rob the poor man of his earnings, that an idle wealth might be kept in luxury, drove the best muscle of the country, and the pioneer hearts to America. The object was to better the condition of those who toiled. The wealth of these hardy explorers consisted in pluck, muscle, a love for their children, and the enterprise which has wrought such glorious results in this broad land.

Tired of the taxation following the domination of England, unwilling to support an aristrocracy that gloated over labor, the Declaration of Independence was the conception of that liberty which came after years of blood and suffering. The people wished more security for person and labor—by valiant deeds this security was won.

For years we have invited people from other shores to come to our broad domain, *to better their condition.* We have told the dwellers of the Rhineland, the vineland of Erin and the North, to come to America and better their condition. For years these honest people, sweating under unjust laws and under unequal taxation, have been coming, till the cities of the East, the plains and prairies of the national valley, and the mines of the Pacific teem with workingmen—with the brave men—*our friends,* who have called cities from the earth, gold from the rocks, palaces from the forests; who have tickled the bosom of the West with plough-shares till she has burst into cereal, golden smiles, and filled the homes of the land with joy.

The working men of America made this country great, by produce. The work of brain, of muscle, of mind, which call on each to produce something, as the workmen on the great temple each aided in its construction by performing his allotted task.

In time there came a war, brought on by those who were not so much laborers as agitators and robbers of the working men. Then it was that the men who came to America to better their condition were wanted. They were called on to fight to preserve the form and spirit of government which protected rich and poor alike. The workingmen, the day laborers, the plow holders, the artisans and mechanics, left their homes to battle for the perpetuation of their liberties.

To some of them bounties were offered and accepted, for it was said to be the duty of every workingman to protect himself and look out for his own interest. And the workingmen of America wrought with sabre and rifle, bled, and suffered on field and in hospital, till they saved the Union and the Government so dear to us—but the spirit of that Government was lost, or was stolen from us while brave men fought.

Amid the cries of battle the interests of the workingmen were forgotten, and the very aristocracy our workingmen sought to escape from, took possession of the legislative halls, and erected a temple at every door and window of which is a tax-collector—a temple of which every brick is the body of a workingman lost to his family, his country and a common prosperity forever.

The working men fought, and put down the rebellion, and while they were doing it, aristocrats, selfish men, and those who live by their wits more than by labor, wove them into slavery, and created a gigantic wealth, known as United States Bonds, which are simply notes held by the rich, which working men must pay in gold at maturity, and interest in gold thereupon every six months.

The legislators and speculators legislated and tricked among themselves. The Republican legislator who had no money, signed the name of his working man neighbor who was fighting, to a Bond for a thousand dollars—sold it to a miser who had money but no patriotism, for four hundred dollars. Half of this money he gave the soldier—the other half he stole from him, and now when the war is over, the soldier returns to pay gold one thousand dollars, and interest thereon, for the note he signed, and on which he realized but two hundred dollars. The miser and the legislator bought and sold these notes or bonds between and among them; they made and hold them; they collect half-yearly interest in gold on them; they pay no taxes, for the interest supports them; the working man who fought is made to pay the interest now, and will be made to pay in time the principal in gold—paying one thousand dollars for what he received but two hundred.

And all this time subject to still further legislation to rob him. Meantime, the party in power is increasing the debt at the rate of not less than two million dollars a week, making workingmen pay the interest, with no ability to pay the principal, for they are now over-taxed.

The workingmen of America have been robbed, murdered deceived and forced into bondage for the support of an aristocracy exempt from taxation. It is the duty of workingmen to protect their earning and their interest, and we are glad to see them banding together to do this. And if we cannot have exemption from this unjust taxation, let us no louger *consent* to be thus misgoverned, but arise strike dead at our feet, the aristocrats who compel us to work while they revel. Workingmen of America—dare you strike for your rights—or will you be slaves?

MEN OF BEDFORD COUNTY!

We make this last appeal to you! You know that the Radical party is wrong. You know that it is trying to revolutionize the government. You know that, at the risk of involving the country in war, it kicked the Southern States out of the Union after our soldiers had brought them back. You know that at the risk of a war of races, it has given the governments of the Southern States into the hands of brutalized negroes. You know that at the risk of a bloody civil war, it impeached the President for mere political offences. You know that it has gagged the Supreme Court, robbed the Executive of his just constitutional powers, and concentrated the whole strength of the government in a Caucus which cuts out and makes up legislation for Congress. Will you endorse all these iniquities by staying away from the election or by going there and voting the Radical ticket? God forbid.

Turn Out!

Turn out to the election on Tuesday next, if you would save what is left of American Liberty.

Stand at the Polls.

Hundreds of illegal votes are polled by the Radicals through inattention at the polls. Let there be a *Poll Committee* of Democrats, to stand at the election window during the whole of next Tuesday. Let there be such a committee in every election district. Challenge every voter whose right to vote at your poll is doubtful. Post yourselves on the law. Stand up for your rights. Strangers will present themselves who have never voted in your district. Challenge them. Swear them. Ask them on oath where is their "*bona fide* residence in pursuit of their lawful calling;" whether they have paid a State or County Tax assessed upon them within two years; whether they have been in the district ten days prior to the election; whether they did not come into the district, and whether they did not remain in it, after coming into it, for the purpose of voting. If strangers have not been put upon the ten days assesment, their own testimony is not evidence of their having resided in the district ten days. In such case they must prove their residence by by other testimony than their own. Stand at the polls!

Turn Out!

Turn out to the election on Tuesday next, if you would rebuke Impeachment and Radical Despotism.

OUT!

HENRY STANBERY, Ex-Attorney General, the brightest legal mind in Ohio, has just made a speech for Seymour and Blair. He will cast his first Democratic vote this fall.

Turn Out.

Turn out to the election on Tuesday next, if you would ever pay the public debt and make greenbacks par with gold.

Murder Will Out!

We admire an outspoken, straightforward man as much as we despise a crawling, lurking, vulpine sneak.—There be those who call themselves Democrats who intend to vote for John Cessna. *We know them. We know every mother's son of them.* They have been watched and will be watched. They imagine that they can do it secretly, without being discovered. They must remember that "*murder will out!*" Farewell to such men, as far as the Democratic party is concerned! Farewell to them forever! They cannot, they shall not, lurk among us, to stab us in the dark.

We Shall See.

After the votes are counted, on next Tuesday night, Democrats shall see who are the traitors in our own ranks that are willing to send a man to Congress who will vote with Ben. Butler, Surratt, Bingham, Washburne & Co. Then the people shall see who are the men that are willing to sell their birthright for a mess of pottage. We know them now. Their names are written down.

Look Out!

John Cessna's minions have been trying to buy up weak-kneed Democrats, *and some that are not suspected.* These men are to give out Democratic tickets with John Cessna's name printed upon them. Be on your guard! Open your ticket and look at it before you vote. To true and faithful Democrats everywhere, we say, *Watch every doubtful or suspicious man in your ranks! Watch him and nail him!*

Now, For Victory!

Up, guards and at them, and let us give them a complete Waterloo!—Democrats, now is the time to strike for victory! Every man to his post! Let every Democrat resolve to make one more vote. Let each and every Democrat single out his man from the other side *and resolve not to let him go until he will go to the polls with him and vote the Democratic ticket.*

Turn Out.

Turn out to the election on Tuesday next, if you would stop taxation to keep up a Standing Army of 50,000 men and to support three millions of negroes in idleness.

A FOUL LIE.

The Rads. are trying to make soldiers believe that if Seymour and Blair are elected, pensions will be stopped. This is a lie out of the whole cloth and the Rads. know it. If Seymour is elected, the money in which the pensioner is paid, will be worth something, and it will not take *one dollar and a-half of it to buy one dollar in gold.* Seymour has always been the private soldier's friend. Has Grant?

Every Vote.

Get every Democratic voter to the election on next Tuesday. Ascertain who, in your neighborhood, cannot walk to the polls, and if you find any such, hitch up your teams and take them there. Don't leave a vote unpolled, for upon *a single vote* may depend the success of your candidate for Congress.

Hurrah for the Turncoats!

Go it, Republicans! Vote for the turn-coats! Give them the offices! You are good enough to do the voting. Vote for Grant, a turn-coat! Vote for Hartranft, a turn-coat! Vote for Cessna, a turn-coat! Vote for Rowe, a turn-coat! And next year you can vote for Wm. M. Hall, a triple turn-coat, who wants to be State Senator. Hurrah for the turn-coats! Andy Johnson is a turn-coat too!

SO.

The Bloody Run *Press* boasts that Charles A. Kimmell, of Somerset, a Radical in politics, will not vote for his brother, Judge Kimmell, for Congress. The *Press*, however, expects some of John Cessna's brothers who are Democrats, to vote for John. The "odds make the difference." If Judge Kimmell's Radical brothers are so wedded to their party that they cannot vote for him, it cannot be expected that John Cessna's brothers will cling less firmly to their party.

VOTE FOR W. J. BAER, Esq., for Assistant Law Judge. He is an able and upright man.

VOTE FOR DANIEL P. BEEGLE for Commisioner. He is an honest, safe and true man.

VOTE FOR HENRY EGOLF for Poor Dierctor. He is one of best men in the county.

VOTE FOR M. A. HUNTER for Auditor. He is a good accountant and will make a fine officer.

"LITTLE MAC" HAS COME.

General George B. M'Clellan arrived in New York, on Thursday last, and on Friday night 50,000 men turned out to receive him. The M'Clellan Legion, numbering 8,000 men, marched to the General's hotel, bearing torches and banners. This week General M'Clellan visits Pennsylvania and will be received in Philadelphia in Independence Square, by such a crowd as has never before assembled on that sacred soil. "Little Mac" comes to raise his voice in behalf of Seymour and Blair, and appeals to his beloved veterans to stand with him for civil liberty and constitutional rights.

DEMOCRATS OF BROAD TOP!

Year after year the Radicals of Broad Top have voted unnaturalized Welshmen. We call upon the Democrats of Broad Top and Coaldale, *to stand at the polls all day*, and compel every Welshman to show his naturalization papers, prove his ten days' residence, and show his tax receipt. *Look out for attempts* to vote on *first papers!* Look out for fraudulent naturalization papers! We are satisfied that the Radicals have colonized large numbers of illegal voters in Broad Top and Coaldale. Any one of these who presents himself at the polls, *must and will be promptly arrested.* Democrats of Broad Top and Coaldale! *Examine the Ten Day List at once. Scrutinize it closely*, and make a list of all the names that are strange to you. Take this list with you to the polls and challenge every one. Doubtless, some of them will pay a visit to Bedford under the guidance of a constable.

WEST PROVIDENCE!

Democrats of West Providence and Bloody Run! The Radicals have colonized voters in the ore-banks near your place. Go to the ten day list, and get their names. Challenge every man whom you do not know to be a legal voter. One of the bosses at the ore-banks boasted the other day that he would control the votes of *thirty men* in his employ. He has no right to control them. If he dares to threaten or bribe them, have him arrested instanter. Such fellows must be punished. We must and will have a fair election. Stand at the polls and see that there is fair play.

Look Out in Saxton!

The Radicals have colonized nine voters in Saxton borough. These men have no *bona fide* residence in that place and their votes cannot be received. If they attempt to vote, they will be arrested and the man who had them come there will be dealt with according to law. Look out for the same thing in Liberty.

WONDERFUL.

It is truly astounding to observe the twists and turns of Radical politicians. For instance, Maj. Washabaugh, whose mortal enemy John Cessna has been all his life, is now going about the country retailing stories about Judge Kimmell, in order to make votes for his beloved Cessna. Judge Kimmell has been informed of the tales told by the Major, especially those circulated by him in Southampton, and he authorizes us to pronounce them false from beginning to end. It is truly wonderful that a man who lays claim to as much respectability as Maj. Washabaugh, should humiliate himself by entering the service of such a creature as John Cessna. When that depth is reached, the man stands on the very bottom of degradation.

Turn Out.

If you would defeat the monstrous usurpations by which this government is being changed into a monarchy, turn out to the election on Tuesday next.

The "Old Cover."

"Won't you vote for an 'old Cover'?" Said John Cessna, the other day, to a citizen of Friends' Cove. How affectionate this Old Cover has become of late. He begins to hug even the men.

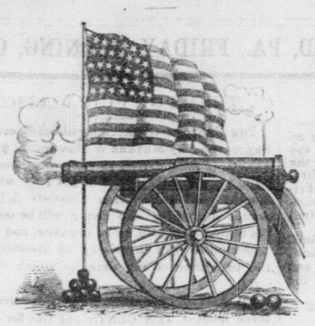
JOHN CESSNA once prosecuted the proprietors of this paper for libel, setting forth in his complaint that we had charged him with perjury, inciting to murder, &c., &c. The jury failed to convict us. This is a part of John's record. Anybody who wants to see it, can be gratified by looking at the docket of the Quarter Sessions for this county.

VOTE FOR W. J. BAER, Esq., for Assistant Law Judge. He is an able and upright man.

WHO furnished the whisky for one of the Radical speakers on Tuesday?—Did he get it by *Chance* or did a certain Good Templar act as bottle-holder? Answer, ye "God-and-moralityites!"

RADICAL ECONOMY.—Feeding "intelligent freedmen" at an expense of fifty millions a year.

Hail to the Chief!



MAJOR GENE AL F. P. BLAIR IN BEDFORD.

Great Crowd and Intense Enthusiasm!

RECEPTION OF THE NEXT VICE PRESIDENT BY THE PEOPLE!

He Speaks in the Court House to the largest Audience that ever assembled within its walls!

On Tuesday last, it was ascertained that Gen. F. P. Blair would pay a hurried visit to Bedford Springs on the following Thursday, and the fact was made known as widely as could be done in the short space of time allowed for that purpose. Thursday brought the General to Bedford, escorted into town by a large and handsome procession, headed by the Democratic Brass Band. In the evening an immense concourse of people assembled to pay their respects to him and hear him speak. A heavy rain fell, and it was found necessary to hold the meeting in the Court House. There the people flocked, and the result was that hundreds could not gain admission. There is no use talking about the Court House being crowded; it was filled to suffocation. It was admitted on all sides, that it was the largest assemblage ever witnessed in the building. The meeting was organized by the appointment of the following officers;

President, JOSEPH WILLS, Vice Presidents, Charles W Colvin, Reuben Smith, Hon. Geo. W. Gump, Nicholas Koons, A. J. Crisman, George Diehl, Samuel Statler, Daniel Heltzel, Wm. Cessna, Philip G. Morgart, Wm. England, Jerry Shea, Perry Morgart, Jacob Bollinger, John Aldstadt. Secretaries, John S. Schell, Watson W. Barclay, Henry P. Diehl, James Sill, Dr. P. H. Pensyl, A. J. Crisman.

Gen. Blair was then introduced to the audience, and proceeded to deliver a calm, logical and eloquent address upon the political questions of the day. The audience paid the most respectful attention throughout the delivery of the address, and frequently applauded the General with the greatest enthusiasm. The meeting was afterward addressed by Hon. Thomas J. M'Kaig and Wm. Walsh, Esq., of Cumberland, Md., in able and effective speeches.

Gen. Blair received his friends at the Mengel House, where he was shaken by the hand by a large number of people. He remained over night with Hon. W. P. Schell, and on Friday left for the West, followed by the good wishes of all who had the pleasure of meeting him.

A LIE.

The Radicals have started the story that Gen. Blair was intoxicated when here on Thursday last. It is an infamous, brazen lie, and the fighting editor of this paper can whip the lying whelp who dares to assert it. On the other hand, one of the speakers at the Radical meeting on Tuesday, *was* drunk and we can prove it. Men who support Grant for President, ought not to get up lies about other people being drunk.

Sam'l Ketterman.

This gentleman is the Democratic candidate for County Surveyor. He is one of the best surveyors in the county and has always made a good officer. The Rads. have nominated that chronic office-seeker, Dan. Sams, of West Providence. Let every Democrat vote for Ketterman.

POLE RAISING.

On Monday, the 28 ult., the Democrats of the lower end of Londonderry, raised a hickory pole, at Palo Alto, 102 feet long. In the evening a meeting was held which was addressed by W. P. Schell and E. F. Kerr, Esqs.—After the meeting there was a grand display of fire-works. The meeting was one of the best ever held in that section.

Turn Out.

Turn out to the election on Tuesday next, if you would prevent Negro Suffrage from being forced upon you by act of Congress.

Roorbacks.

Look out for eleventh hour cards, lying hand-bills, and falsehoods in this week's *Inquirer* issued too late to be contradicted. Be on your guard!

"NOTHING MEANER IN HELL THAN A COPPERHEAD."—*John Cessna, at the Radical Meeting in front of the Washington Hotel.*

Hear Gen. Hancock.

Thus writes Maj. Gen. W. S. Hancock, now lying at Carondelet, Missouri, suffering from his wound received at Gettysburg. Hear him, soldiers!

S. T. Glover.

MY DEAR SIR: I am greatly obliged for your favor of the 13th inst.—Those who suppose that I do not acquiesce in the work of the National Democratic Convention, or that I do not sincerely desire the election of its nominees, know very little of my character, believing as I really do, that the preservation of constitutional government depends on the success of the Democratic party in the coming election. Were I to hesitate in its candid support, I feel I should not only falsify my own record, but commit a crime against my country. I never aspired to the Presidency on account of myself. I never sought its doubtful honors and certain labors and responsibilities merely for the position. My own wish was to promote, if I could, the good of the country and to rebuke the spirit of revolution which had invaded every sacred precinct of liberty. When, therefore, you pronounced the statements in question false, you did exactly right.—Principles, not men, is the motto for the rugged crisis in which we are now struggling. Had I been made the Presidential nominee I should have considered it a tribute, not to me, but to the principles which I had proclaimed and practiced; but shall I cease to revere those principles because by mutual political friends another has been appointed to put them into execution? Never; never. These, sir, are my sentiments, whatever interested parties may say to the contrary, and I desire that all may know and understand them. I shall ever hold in grateful remembrance the faithful friends who, hailing from every section of the Union, preferred me by their votes, and other expressions of confidence, both in and out of the Convention, and shall do them all the justice to believe that they were governed by patriotic motives; that they did not propose simply to aggrandize my personal fortunes, but to serve their country through me, and that they will not suffer anything like personal preferences or jealousies to stand between them and their manifest duty.

I have the honor to be, dear sir, very respectfully yours,

(Signed) WINFIELD S. HANCOCK.

GRANT'S PROSPECTS.—Every canal boat on the Erie canal, except one, carries a Seymour and Blair flag. There is peace among the boatmen. The solitary Grant concern is a "slow boat."

PEACE.—Several of the white and black Radical policemen of Selma, Alabama, surrounded and shot a peaceable and unoffending citizen a few nights since.

Forty-three persons in Bellfontaine, Ohio, formerly Republicans, have publicly given in their adhesion to Seymour and Blair.

NEW YORK, July 1st, 1868.

DEAR SIR:—In your paper of last week you or one of your correspondents say that Dr. Drake is not the originator of the celebrated PLANTATION BITTERS, and that they were manufactured and sold by one *Pedro Martelle*, an old Spaniard, in the Island of St. Thomas, over forty years ago, as every old sea captain can testify. Now sir, I can certify to the above as being true, for I have followed the sea for over forty years, most of the time doing business with the West Indies. These same Bitters differently put up and named, were brought to my notice on my first trip to the Island of St. Croix for a cargo of rum, and for years and years after, my ship's stores were never without them. I always supplied my family and many of my neighbors with them, and can truly say a better Bitters and Tonic, is not made in all the world.

Yours, truly,
CAPT. HENRY WENTZ.

Many churches out of the limits of the city, are suffering in their devotional services for the want of good music, when a reasonable amount of money will purchase a fine organ, with which the voice may be supported in full harmony. With a poor instrument, the singing will deteriorate, and with none at all, neither will a choir, or congregational singing flourish. Messrs. S. D. & H. W. Smith, of Boston, have just introduced new styles of AMERICAN ORGANS, with upright cases and gilt imitation pipes, having remarkable volume of tone, containing the deep manual sub-bass, super octave coupler, tremolo, and knee swell. Democratic Meetings.

During the last two weeks meetings have been held by the Democracy in every portion of this county. These meetings were unusually well attended. We give below a notice of the majority of them, with lists of officers so far as the same have been reported to us.

Southampton.—Meetings were held in Southampton at Adams' Mill and McElfish's Mill which were well attended. Speeches were made by J. W. Dickerson and W. C. Schaeffer, Esqs.

Monroe.—Meetings were held in this township at Fletcher's store and Clearville. At both places the turnout was good. Speeches were made by J. W. Dickerson and W. C. Schaeffer, Esqs.

Cumberland Valley.—Saturday, the 3rd, was a gala day for the people of Centreville. The Democracy of "Little Berks" held a council of war preparatory to making a grand charge on the enemies of constitutional liberty, at the polls on next Tuesday. A great many people were present. Southampton was there with her beautiful banner, which she received a few years ago for her devotion to the principles of Democracy and right. Samuel Whip acted as President, with Henry Miller, (85 years old) Nicholas Wertz, (83 years old) Frederick Simons, Styles Hill, Paul Wertz, Thomas Donahoe, John Donahoe and William Elder as Vice Presidents; and Reuben Smith, Philip Harcleroad, William Donahoe and John B. Whip as Secretaries. The meeting was addressed by Col. J. H. Filler, T. J. McKaig and William Walsh, Esqs. The Democratic Band was present and furnished their most excellent music. "Little Berks is O. K."

Harrison.—The Mass meeting at Cessna's was a complete success. Hundreds of people came pouring in as the time for the meeting arrived. The porch of the hotel in front of which the meeting was held, was beautifully wreathed with evergreens, and nothing that could be done to make the meeting a splendid affair was left undone by Mr. Cessna and his kind lady. The Bedford boys will not forget the kind treatment they received at their hands. After partaking of a magnificent supper the meeting was called to order by the selection of Isaac Clark as President; J. J. Powell, David Smith, J. E. Black, Jos. W. Elder, Dr. W. McNeal, James Nawgel, Josiah Smith and Michael Redinger, as Vice Presidents; Secretaries, John Nycum, James Mortimore and Dr. W. W. Van Ormer. Harrison is aroused, and is determined to throw off the Radical yoke.

Meeting at Teaberry.—On last Saturday evening a large meeting was held at Teaberry school house. President, Cadwalader Evans; V. Pres'ts, Joseph Hemming, William Bagley, Solomon Heckman, W. T. Haney and James Dremning; Secretaries, Richard Hemming and Tobias Boor. Col. J. H. Filler addressed the meeting.

Juniata.—A large meeting of the Democracy of Juniata was held at Buena Vista on last Thursday evening, Michael Hillegass was elected President, with L. N. Fyan, Alvey Boylan, John Miller, David Smith, Crouse Long, Henry Kinsey, Alfred Miller and John J Powell as Vice Pres'ts; Secretaries, P. F. Lehman, Casper Stroup and James Nawgel. Speeches were made by B. F. Meyers and James Wigle. Juniata will, as usual, fire a solid shot into the Radical camp.

Colerain.—One of the largest political meetings ever seen in this township, was held at Rainsburg on last Wednesday evening. It was held in front of the house of William McClelland where a stand had been erected. Extensive arrangements had been made to seat the crowd, yet every seat was taken up by the ladies, who were there in large numbers. That staunch old Democrat, Abraham McClellan presided, with William Ressler, Reuben Smith, W. P. Morgart, Geo. W. Deal, William Cessna, S. J. McEldowny, James Sipes and S. H. Feather as Vice Pres'ts and Fredrick Filler, Tobias Shaffer, William Boyd, Jacob Kegg and B. F. Morgart as Secretaries. Speeches were made by Col. J. H. Filler, O. E. Shannon, Esq., and Jno. G. Fisher. The Democratic Band was present and enlivened the occasion with their choicest music. Colerain is awake and will give a good account of herself at the polls.

Union.—Three meetings were held in this district which were well attended. The Radicals of Spruce Hollow, in keeping with the hyocritical cry of the whole pack for free speech, attempted to deprive their neighbors of the use of the school house, but an entrance was effected and the meeting held in spite of them. Speeches were made by J. W. Dickerson and R. W. Berkstresser. At Lewistown the Democracy gathered to receive the beautiful flag which the Democrats of Bedford had procured for them. That old veteran, John Conrad was chosen to preside over the meeting. Vice Presidents, Michael Wertz, Adam Briggle, Samuel Beard and Joseph Croyle; Secretaries, W. B. Lambright, W. Robison and John Boyer. Speeches were made by B. F. Meyers, J. W. Dickerson and Jno. G. Fisher. A meeting was held in the evening at Reighart's Hotel which was largely attended. Speeches were made by J. W. Dickerson and R. W. Berkstreser.

H. F. IRVINE, the Regulator man, has just returned from the eastern cities with the largest and best assorted stock of goods, in his line, ever brought to Bedford. Boots and shoes, queensware, glassware, notions and groceries in endless variety.

CARPET-BAGGERS' CONCLAVE.—451 *Men, Women and Children in Procession! —Six Mules and One Jack-ass in line.*—The great Radical gathering which had been so extensively advertised came off on Tuesday. And such a meeting! The mountain labored and brought forth a mouse! A friend who made an actual count says that the above figures are strictly correct, including the 85 men and boys from Bloody Run. For hours men and boys, fitted up in military garb, were seen galloping up and down the streets, and we wondered what all this meant when a knowing chap at our side informed us that these "boys in blue" were about to surrender the town to the carpet-baggers from the east. The terms of surrender were agreed upon, and the squad marched triumphantly through our streets, headed by Brevet Maj. Gen. Daniel Cessna, son of Congressman "Dad." We never supposed that Dan would look so well in uniform. What a fine soldier he would have made! What a pity that Johnny who was willing to sacrifice everybody else's relations, could not spare him!

Many a Radical looked blue on account of the slimness of the crowd. There was but little enthusiasm, nobody cheering but a few boys. This not being a coon year, not one of these venerable old standby's of the opposition party were in the procession, but their places were supplied by a few ragged carpet-bags, stuck on the end of a pole. *Sic transit gloria mundi.* "Let us have peace!"

RADICAL FIZZLE.—On last Tuesday evening the Rads. of this place called a club meeting. The crowd failed to come, but the few who were there were distressed by the howlings of Hall and a carpet-bagger by the name of *Hollow-horn*, who made one of the most outrageous speeches ever listened to. This pink of "leilty" imagines that in him are concentrated all the virtues of the "God-and-morality" party. He denounced Democratic soldiers as "cowards," "deserters," "bounty jumpers," &c., and used language which thoroughly disgusted every decent Radical in the room. He can be put down as a squirt of the first water. He got his epaulettes by stooping to command a company of negro soldiers. No decent white man would be found in a body of soldiers over which he had command. "Let us have peace!"

NOT TRUE.—The veracious(?) local of the *Inquirer* stated last week that the friends of Seymour and Blair had a riot after the joint discussion at Schellsburg. We are authorized to say that the whole article is a gross falsehood. A few Radicals who like Grant had been "swinging 'round the circle," attempted to get up a row, when the order loving citizens interfered and drove them off. The belligerent Rads. broke up a lot of furniture and glassware for which they were promptly prosecuted, and for which up to this time they have refused to pay. This is the truth of the story and is further proof that the *Inquirer* is determined to "fight" it out on that lyin'."

OUR NEW FAMILY SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and

CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to

At which time and places the qualified electors will elect by ballot:

TWENTY-SIX PERSONS to be Electors of PRESIDENT and VICE PRESIDENT of the United States.

NOTICE IS HEREBY GIVEN, That every person excepting Justices of the Peace who shall hold any office or appointment of profit or trust under the United States, or of this State, or any city or corporated district, whether a commissioned officer or otherwise, a subordinate officer or agent who is or shall be employed under the legislative, executive or judiciary department of this State, or of any city, or of any incorporated district, and also, that every member of Congress and of the State Legislature, and of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising at the time, the office or appointment of Judge, Inspector or Clerk of any election of this Commonwealth, and that no Inspector, Judge or other officer of such election shall be elegible to be then voted for.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 2, 1819, further provides as follows, viz:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 8 o'clock in the morning of the SECOND TUESDAY OF OCTOBER, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as an Inspector in his place. And in case the person who shall have received the highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place; and in case the person elected a Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy.

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or other of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or County tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

"No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless: First, he produce a receipt of payment, within two years of State or County tax assessed agreeably to the Constitution, and give satisfactory evidence on his own oath or affirmation of another that he has paid such a tax, or in failure to produce a receipt shall make oath to the payment thereof; or second, if he claim a right to vote by being an elector between the age of twenty-one and twenty-two years shall depose on oath or affirmation, that he has resided in the State at least one year before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe from the account given him that he is of the age aforesaid, and gives such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the Inspector, and a note made opposite thereto by writing the word "tax," if he shall be admitted to vote by reason of having paid tax, and the word "age" if he shall be admitted to vote by reason of age, and in either case the reason of such a vote shall be called out to the clerks, who shall make a like note in the list of voters kept by them.

"In all cases where the name of the person claiming to vote is not found on the list furnished by the Commissioners, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the Inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election and shall also swear that his bona fide residence, in pursuance of his lawful calling is within the district, and that he did not remove within the district for the purpose of voting.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of

peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the Commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this Commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections, are hereby, hereafter, authorized and required to vote by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled, outside, "judiciary," one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of Congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in seperate ballot-boxes.

SECTION 2. That it shall be the duty of the Sheriffs, in the several counties of this Commonwealth, to insert in their election proclamations, hereafter issued the first section of this act.

JAMES R. KELLEY,
Speaker of the House of Representatives.
DAVID FLEMING,
Speaker of the Senate.

APPROVED—the thirtieth day of March, Anno Domini one thousand eight hundred and sixty-six.

A. G. CURTIN

Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this Commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, is now null and void, and that all persons formerly disqualified thereunder are now lawful voters, if otherwise qualified. The act decided unconstitutional by the Supreme Court provided as follows:

"A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH.

Whereas, By the act of the Congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to be such citizens, and are deprived of exercising any rights of citizens thereof.

And whereas, persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this commonwealth:

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of Congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Section 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

Section 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot, or ballots, any person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this commonwealth, shall, for each offence, be punished in like manner as is provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot, or ballots.

Section 4. That if any person shall hereafter persuade, or advise, any person, or persons, deprived of citizenship, and disqualified as aforesaid, to offer any ballot, or ballots, to the officers of any election, hereafter to be held in this commonwealth, or shall persuade, or advise, any such officer to receive any ballot, or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person, so offending, shall be guilty of a misdemeanor, and upon conviction thereof, in any court of quarter sessions of this commonwealth, shall be punished in like manner as is provided in the second section of this act, in the case of officers of such election receiving such unlawful ballot, or ballots.

ST. LOUIS and IRON MOUNTAIN RAILROAD COMPANY'S Seven per cent. first Mortgage Bonds. February and August Coupons. The earnings of the completed road to Pilot Knob are now more than the interest on the entire mortgage. The proceeds of these bonds are adding to the security every day. Over $8,000,000 have been spent on the property, and not over $2,000,000 of bonds issued thus far. The constantly increasing traffic of carrying ore, with the prospect of controling all the travel from St. Louis to the Southern States, insures an enormous revenue. The Directors own 8-10 of the stock for investment, and are interested to enrich the property as well as to economize its expenses.

THOS. ALLEN, President, St. Louis, Mo.

We, the undersigned, cordially recommend these seven per cent. mortgage bonds, of the St. Louis and Iron Mountain Railroad, as a good security. The revenue of the road will be large, and the administration of the affairs of the Company is in capable and experienced hands, and is entitled to the greatest confidence of the public.

MANHOOD: HOW LOST, HOW RESTORED. Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impendiments to Marriages, etc.; also, CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence or sexual extravagance.

☞ Price in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land

Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also, Dr Culverwell's 'Marriage Guide,' price 25 cents. Address the Publishers,

AYER'S
HAIR VIGOR,

FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

DOUBLE-ACTING. NON-FREEZIN
FORCE PUMP,

Patented August 28th, 1866, and awarded the PREMIUM at the Pennsylvania, Ohio, and New York State Fairs, in 1866.

The advantages claimed for this pump over all other patent pumps are as follows, viz: The valves, are composed entirely of cast iron, rendering it the most durable of any pump yet patented. This pump is so constructed that it never freezes, the water dropping back to the level with the water in the well. It is easily worked, and can be used, by attaching hose, in washing wagons, horses, watering gardens, and in case of fire is of valuable service, as water may be thrown to the distance of from sixty to seventy feet in the air from it by the use of a small section of hose
